

SEC. 9-1-22 RECONNECTION OF SERVICE.

- (a) Where the water utility has been disconnected at the customer's request a reconnection charge shall be made when the customer requests reconnection of service. See Schedule R-1 for applicable rate.
- (b) A reconnection charge shall also be required from customers whose services are disconnected (shut off at curb stop box) because of non-payment of bills when due. See Schedule R-1 for applicable rate.
- (c) If reconnection is requested for the same location by any member of the same household, or, if a place of business, by any partner of the same business, it shall be considered as the same customer.

SEC. 9-1-23 TEMPORARY METERED SUPPLY, METER AND DEPOSITS.

An applicant for temporary water service on a metered basis shall make and maintain a monetary deposit for each meter installed as security for payment for use of water and for such other charges which may arise from the use of the supply. A charge shall be made for setting the valve and furnishing and setting the meter. See Schedule BW-1 for the applicable rate.

SEC. 9-1-24 WATER FOR CONSTRUCTION.

- (a) When water is requested for construction purposes, or for filling tanks or other such uses, an application shall be made to the water utility, in writing, giving a statement of the amount of construction work to be done, or the size of the tank to be filled, etc. Payment for the water for construction may be made in advance at the scheduled rates. The service lateral must be installed into the building before water can be used. No connection with the service lateral at the curb shall be made without special permission from the water utility. In no case will any employee of the water utility turn on water for construction work unless the contractor has obtained permission from the water utility.
- (b) Customers shall not allow contractors, masons or other persons to take unmetered water from their premises without permission from the water utility. Any customer failing to comply with this provision will have water service discontinued and will be responsible for the cost of the estimated volume of water used.
