

Monthly Streets and Sidewalks Committee Meeting City of Galesville

Date: October 4, 2023 called to order at 4pm

Who Attended: Committee Chairperson-Diane Redsten, Alderperson--Jean Wallner, Mayor Vince Howe, Dept. of Public Works-Todd Peterson. Absent: Alderperson – Dave Carlson

Purpose of the meeting:

West Ridge Ave. sidewalk project – engineering cost

Discuss cost for the sidewalk repair along Main Street from the corner by Flex Appeal to the corner by Bluff View Bank

Long range planning projects for streets and sidewalks

Recommendations to the Council:

Motion made by Jean Wallner to recommend approval for soil testing and engineer work to the area in need of repair on West Ridge Ave. prior to placing this project out for bids. Motion seconded by Diane; motion carried.

Approximate cost reviewed for the section of sidewalk along Main street north to the corner near the Bluff View Bank for the 2024 Budget (\$28,458 just concrete and 35,850 concrete stamping, the city will need to remove trees and grates).

Long term sidewalk project: To replace one section of the sidewalk in the downtown area yearly over the next 5 years, budget request of 40,000 yearly for this project.

What is the budget/tax Impact:

Cost of the engineer work for the West Ridge Ave. sidewalk project.
