

A joint meeting of the Parks & Sanitation and Recreation Committee was held Tuesday, June 4, 2024 at 5:00 p.m.

Attendance: Jesse Swing-Chairperson, Bruce Bender-alderperson, Diane Redsten-alderperson, Todd Peterson-Public Works Director, Randy Larson- alderperson, and Mr. Stoner.

Purpose of the meeting and committee recommendations:

1. Issuance of keys to private citizens - Recommendation for No action.
2. Possible collaboration with Trempealeau pool - Due to the late availability in the swim season (pool is currently closed), questionable Galesville resident interest and financially unsure what we face (this was not a budget idea) the committee recommends no action at this time.
3. Kiosk at Horseshoe Park - Discussed relocating, and possibility of a newer kiosk with a city map, directory, history and events, no recommendations at this time.
