Vol. 3 Pg. 440

This 22nd day of June A.D. 1854 I surveyed, laid out and platted the Village of Galesville County of Trempealeau in the State of Wisconsin on the West fr of Section thirty and the N.W. fr of Section Thirty Two Township No Twenty Two North of Range No Seven West of the Fourth Principal Meridian and bounded and described as follows, to wit: Beginning at the Quarter Post on the West line of said Section Thirty Two and running thence North on said West line of said Section Thirty Two Eighty Chains and Fifty Links to the North West corner of said Section Thirty Two thence East on the North line of said Section Thirty Two Eighty Chains to the North East corner of said Section Thirty Two thence South on the East line of said Section Thirty Two Eighty Chains and Fifty Links to the Quarter Post on the South line of said Section Thirty Two thence West on the South line of said Section Thirty Two Eighty Chains to the place of beginning containing Six hundred and forty acres more or less. The Streets as laid down on this Plat are to be Sixty Six feet wide and the Alleys are to be Twenty Feet wide. The Lots are numbered as shown on the Plat. The Blocks are numbered from One to Eleven inclusive. All the Lots are to be One Hundred and Sixty Six feet deep. All the Streets and Alleys are laid out parallel and at right angles with the West line of said Section Thirty Two. Bearings taken from the True Meridian Variation of Magnetic Needle 8° 30' E. George Gale, Surveyor.

State of Wisconsin }
Trempealeau County } On the 22nd day of June A.D. 1854 George Gale the Surveyor and Proprietor of the Village of Galesville in the County of Trempealeau in the State of Wisconsin personally came before me and acknowledged that he had surveyed and platted the Village of Galesville as a Village and that he executed the same freely.

William Lemmon
Notary Public
