Nonconforming Uses, Structures and Lots

SEC. 13-1-80 EXISTING NONCONFORMING USES AND STRUCTURES.

- (a) The lawful nonconforming use of a structure or land, including but not limited to fences, parking and zoning setbacks existing at the time of the adoption or amendment of this Chapter may be continued although the use does not conform with the provisions of this Chapter. However, only that portion of the land in actual use may be so continued and the structure may not be extended, enlarged, reconstructed, substituted, moved or structurally altered except when required to do so by law or order or so as to comply with the provisions of this Chapter.
- (b) If no structural alterations are made, a nonconforming use of a building may be changed to any use permitted in the same use district as that in which the use existing is permitted according to the provisions of this Chapter; provided when a use district is changed, any existing, nonconforming use in such changed district may be continued or changed to a use permitted in the same use district as that in which the existing use is permitted; provided all other regulations governing the new use are complied with.
- (c) Substitution of new equipment may be permitted by the Board of Zoning Appeals if such equipment will reduce the incompatibility of the nonconforming use with the neighboring uses.

SEC. 13-1-81 ABOLISHMENT OR REPLACEMENT.

- (a) **Termination.** If such nonconforming use is discontinued or terminated for a period of twelve (12) months, any future use of the structure or land shall conform to the provisions of this Chapter.
- (b) **Building Destroyed by Fire.** Where a building located in a district restricted against its use has been destroyed by fire or other calamity to the extent of not more than fifty percent (50%) of its fair market value, the same may be rebuilt; but where such a building is destroyed to the extent of more than fifty percent (50%) of its fair market value, a permit may be granted for its reconstruction within twelve (12) months from the date of such fire or other calamity, except any public utility located in a restricted district shall be permitted to rebuild, alter or enlarge in any business or industrial district as the interest of the public demands.
